TOOL TIME CROSSWORD

Down:

1. Australian company specialising in plumbing and bathroom products.
5. German engineering firm specialising in pressing technology for pipe connections.
8. Brand known for their durable and professional hand tools, symbolised by a strong animal.

Across:

2. This company focuses on supplying quality fastening solutions and is famous for stainless press variations.
3. Australian distributor known for industrial tools and accessories.
4. Feathered mascot for a plumbing company, not a kangaroo but still distinctly Australian.
6. Synonymous with strength, this brand is a go-to for plumbing professionals needing powerful and precise tools.
7. Australian distributor specialising in plastic fitting solutions for pipelines.
